19 February 1965

MEMORANDUM FOR THE RECORD

SUBJECT: Compensation for Hazardous Duties

1. Attached are two papers bearing on the matter of insurance coverage for extra hazardous duties and extra hazardous pay. The first is the OGC paper dated 24 November 1959 attached to a memorandum from DD/S to all other Deputy Directors, dated 29 October 1962, and the second refers to a bill recently introduced and, as I understand it, passed by the House on 10 February, which would authorize extra hazard duty pay not to exceed 25% of basic compensation as part of the Civil Service Classification Act.

OK /  
JS  
2. I have talked these over with [redacted] of OGC. I suggest we wait and see what happens to the new House bill before raising the question separately.
